Praise – The Joy, Joy, Joy down in my heart!

This week's reading is taken from – Mark 6:1-6

During the time of Jesus' ministry, around the Sea of Galilee and the surrounding towns He had taught the people and done many miracles. The people of Nazareth had heard about His good works and when He returned to the town, with His disciples, they only recognised Him as Jesus, the son of Joseph the carpenter. They knew Him as Jesus, the son of an ordinary couple, Mary and Joseph. And here he was returning to Nazareth, able to perform miracles and preach the word of God better than anyone else was able. They did not believe the message Jesus was giving them. They questioned among themselves how Jesus could be so learned and they would not listen to Him. How do you think Jesus felt? Have you ever felt rejected by someone, or a group of people you knew well? How did you feel? The people of Nazareth could not accept Jesus as someone special, this meant that Jesus was not able to perform miracles. They did not have faith in Jesus. Faith in Jesus is essential if we are to have the influence of Jesus in our lives. Because of their rejection of Jesus, and for their lack of faith in His teaching Jesus was saddened and disappointed and left Nazareth to go and preach and do miracles elsewhere. How can we make Jesus feel welcome in our lives? We can do this by accepting His love for us and making Him part of our daily lives, remembering that He is always with us.
