Praise – Here I am to worship

This week's reading is taken from – John 6:1-15 Jesus was on a hillside near the Sea of Galilee. A massive crowd of about 5000 people had followed him to hear him speak. Jesus realised that soon they would be hungry and there was no way of feeding them all. What a huge problem. Sitting on the hillside he called Philip to him. "Where can we buy some bread for these people to eat?" Jesus asked. Philip replied that it would be too expensive to feed them all even a little bread. Andrew noticed a small boy with five barley loaves and two fish. "Make the people sit down," Jesus said. He then performed a miracle. Taking the loaves and fishes he gave thanks and broke them and gave them out to the people. Wow!!! Give each child a piece of paper. Count the number of corners (4). Tear one corner off. Look carefully at the paper. How many corners are there now? You should see that there are now 3 intact plus 2 on the torn off corner. Now tear off another corner. How many corners can you see now? If you look carefully you will see there are more corners now than when you started. Each time you tear off a corner you appear to have more corners than you had previously. How does this relate to the 5 loaves and two fishes? Discuss. The miracle of the 5 loaves and 2 fishes was a sign to the people. Jesus really was the prophet who was sent into the world. He provided for the people when they were hungry. Is there anyone at your church who is hungry? How can the church help provide for the hungry?
